# A Note from the KHJA President, Ashley Watts

Welcome to the KHJA Awards Banquet as we celebrate the 2022 show season! I am hoping that you and your family have had a wonderful holiday season full of amazing memories. Experiencing the magic of the holidays through our 5-year-old son's eyes has brought new life and meaning to the season for our family, and this is a time that I will always cherish. Now if time could just slow down!

I hope that you will take time this evening to reflect on this past year and think about the challenges you have tackled and goals you have accomplished. Think about the horse shows you have attended and the lessons you have learned. It is my hope for all of you that you build on those accomplishments and make new goals to meet for this coming year. The value in riding is that we never stop learning and can always take home a valuable life lesson from the best teachers we have—our horses!

Take a moment to reflect on the people who have supported you through the year. Parents, friends, and other family members who have helped in some way. Maybe they listened after you struggled with a difficult ride, or they provided encouragement and motivation to get back on your horse or pony. They laughed and cheered as you achieved success. Remember to thank them for being there!

Another large part of this support system is your barn family. Though they aren't usually blood related, trainers and lesson buddies provide much-needed comfort during tough times and can be the best cheering section whether it is during a lesson, a hack, or competition. Sometimes they are the only ones who seem to understand your frustrations, not just with riding, but life in general. I, for one, am appreciative of this tight bond with my barn family and the relationships that have flourished throughout our riding community.

Please remember to thank everyone who has been a part of your support system this past year, and make it a goal to continue to show gratitude and reciprocity in the year to come. With positive attitudes and thoughts, I am confident that 2023 will provide so many more great moments and memories!

The 2023 KHJA Board will be announced at the awards banquet.

# KHJA Members Excel in USHJA Emerging Athletes Program

The KHJA is a proud affiliate of the United States Hunter Jumper Association (USHJA). The USHJA offers many valuable grassroots programs for all levels of riders. The Emerging Athletes Program (EAP) is one of them.

We would like to recognize all of the KHJA

members who participated in one of the 11 regional EAP programs around the country.

KHJA members Mary Cunningham, Finley Scheffel, Rylee Eilerman, Kaylynn Berry and Abbie Storandt took their own horses to regional sessions and participated in a weeklong intensive riding

and stable management program.

Their days were strictly scheduled from 6 a.m. until 9 p.m. and their activities were overseen by countless volunteers and expert equestrians.

Two of our riders were chosen to proceed to the national training sessions at Findlay University in

Findlay, Ohio.

Mary Cunningham was chosen to be a stable manager and Abbie Storandt was picked to be a rider at the national training session.

After a four-day intensive session coached by Peter Wylde, Abbie Storandt was awarded the National Reserve Championship EAP title.

In addition, Mary was selected as the winner of the Stable Management Competition and both girls from KHJA received a ticket to the coveted USHJA Gold Star clinic in Wellington, Fla, in 2023. Congratulations to all who participated!
