- 1. 3'6", 3'3", 3', 2'6", 2'
- 2. 3' Riders may not have shown higher than 3' in any division during the qualifying competition year (August 1 - July 31).
- 3. Adult (2'6" or 3') Adults may show in any height section appropriate to their level of riding. Adults who show over 3' must show in 3'3" or 3'6", whichever is appropriate.

### **C. ELIGIBILITY**

- 1. Must be a KHJA member prior to showing in qualifying classes for points to count. Non-members may show in the qualifying classes, but points will not count toward the Medal Finals.
- 2. Qualifying period is from August 1 to July 31 of the previous year.

## D. QUALIFICATION

### 1. Regular Member

- (a) Accumulate 30 points in the following equitation classes at Regular shows (using the Regular Point System):
  - (1) Short Stirrup Equitation (2')
  - (2) Long Stirrup Equitation (2')
  - (3) 11 and under Equitation (2'3")
  - (4) 12-14 Equitation (2'6")
  - (5) 15-17 Equitation (3'-3'3")
  - (6) Adult Equitation (3')
  - (7) Intermediate Children's/Adult Equitation
  - (8) All equitation medal classes
- (b) Members qualify by entering the KHJA medal at Local shows in the height section equivalent to their respective age group equitation at Regular shows.

### 2. Local Members

- (a) Accumulate 30 points in a combination of equitation (see previous list) and KHJA medal classes offered at shows. KHJA shows are encouraged to offer all height sections and combine if entries warrant.
  - (1) 3'6" (2) 3'3" (3) 3' (4) 2'6" (5) 2'
- (b) Qualified riders must compete in the Finals at the highest height in which they have competed during the qualifying period (in hunters and equitation), with the exception of one show at a higher height.
- (c) Points awarded as follows: 10-6-4-2-1-1/2.

### 3. All Members

- (a) Qualified riders must compete in the Finals at the highest height in which they have competed during the qualifying period (hunters and equitation) except for one show at a higher equitation height.
- (b) The number of entries in the over-fences class will define the designation of points.
- (c) If a rider earns points at both Regular and Local shows, those points will be combined to determine eligibility for Medal Finals.
- (d) **The Rules Committee will accept formal requests in writing on or before July 1 to show at a higher height or lower height at the KHJA Medal Finals depending on the unique situation that is in conflict to eligibility, as described in the rule book.**

## E. FINALS

- 1. Each height section will show over fences and will be invited back for additional work on the flat.

Each phase will count as 50 percent. No martingales for flat phase. To be judged on equitation. Placing 1-10.

2. The top two (2) riders in each section will be invited back for a work off. The work off will be determined by the judges and can be a shortened course, a question, USEF tests 1-18, or any combination thereof.
3. Ribbons will be awarded through 10th place, with the winner receiving a perpetual trophy and cooler.
4. **The KHJA Trainer Award will be given to the trainer who is a KHJA member and whose riders have earned the most points in each section of the KHJA Medal Finals as well as the top four placings in the work-off.**
5. Competitors may show in each section of the KHJA Medal Finals as many times as they qualify, regardless of past placings. However, once a competitor wins the overall championship per fence height, he or she is no longer eligible to compete for a second overall championship at that height, thereby limiting an individual to one overall championship at each height. In the event that a previous overall championship winner once again wins a section and is therefore ineligible for the workoff, the next eligible person from that section will be offered the opportunity to participate in the workoff.

#### **F. MEDAL FINALS COMMITTEE**

1. The Board of Directors will appoint members to form a committee that will help in orchestrating and overseeing the Finals.
2. The committee will work along with the Point Manager to create a Qualified Results Sheet and list fence height for potential participants. This report will be placed in the horse show office at the Fall Classic in September.
3. This committee will be available to everyone during the Medal Finals in case there are any questions or concerns.

### **VIII. COURSES**

- A. A course must consist of at least six (6) fences.
- B. A ground line is recommended for all fences in hunter courses.
- C. The courses must be posted at least one hour before the class.
- D. Except in case of bad weather, broken equipment or similar emergency, a course may not be altered except by written permission of all exhibitors. If one or more fences are rendered unusable during a class and no duplicate exists, management may substitute fences that approximate as nearly as possible the originals.
- E. No over-fences class shall be started one half-hour after sunset unless the area has adequate lighting.
- F. Member shows may consult the Association if any help is needed in laying out their courses.

## **IX. PROTEST**

- A. In writing.
- B. Signed by the protestor.
- C. Addressed to the Secretary of KHJA, describing the violation and at which show it occurred.

"Qualified medical personnel" is defined as a person who is currently certified or licensed in their profession and trained in pre-hospital trauma care. EMT/paramedics would serve as the highest qualified for that responsibility followed next by doctors, nurses and/or certified athletic trainers. An ambulance must be on the grounds or on call.
- B. Veterinarian, blacksmith and doctor must be on call. All horses coming into the state of Kentucky must have Coggins test and Health Certificate. (Must be stated on prize list.)
