

KHJA Judging Clinic 2012

sponsored by

KHJA and the Kentucky Horse Park Foundation

Featuring two distinguished USEF Judges

Rob Bielefeld and David Wright

Saturday, January 21st 2012

9:00am – 4:00pm

located in the

Alltech Arena at the Kentucky Horse Park

This extraordinary clinic is for spectators to learn and participate, **live and in real time**, while judges score both hunters and equitation riders! The riders are actual professionals and amateurs competing over 3' and 3'6" courses designed by Bobby Murphy. Both of our distinguished judges will be able to comment on each round as the horses and riders go, as well as compare their scores. Clinic participants will each receive judges cards to keep score along with them.

This clinic was wildly popular last year, and is useful to riders of all levels, parents, coaches, professionals, judges and horse owners! It promises to be even more exciting this year with the addition of a second judge. As always, live question and answer sessions immediately following each section.

Don't miss it this year!!
